Musical Specials:

1. Students who wish to sing or play an instrument at the Redding graduation must record their performance digitally and send it along with typed lyrics, if applicable, to the office at office@acaec.net by April 1st.
2. Students interested in musical performance for the Sacramento or So. Sacramento graduation should contact the coordinator for that area and she will give you the necessary information.

Valedictorian and Salutatorian: ACA awards these honors based on SAT/ACT scores. If students are interested in applying, they need to send a letter/email requesting consideration and a copy of the SAT/ACT scores to the High School Director before **Jan. 15th**. *This early deadline is necessary as we have found that students need to know if they will receive these awards before applying for colleges and scholarships.* Students will be notified if they are accepted.

For additional information please see; **Valedictorian/Salutatorian Awards.**
